

Toscana Studio Art / Adult Art Classes Registration Form

For 2021 Adult Art Classes are held mornings, early afternoons, or some weekends. Sessions may be once per week for a few weeks, each day for a few days, or an on-going type, where one may enroll and begin at any point. On-going classes are usually for a month to six weeks, and that price is \$250. We teach a variety of art classes with differing learning levels. All current class information, workshop pricing, and terms and conditions may be found on [our website](#).
