

TOSCANA STUDIO AND GALLERY

Attendance policy for all weekly classes (adult and after school classes) will be enforced effective January 1, 2022.

In the past Toscana has allowed students to miss multiple classes per registration and make them up when convenient. Unfortunately, we will no longer be able to honor more than one missed class and will begin enforcing our attendance policy. All current open registrations must be completed no later than 1/30/22. After that any unused classes will be forfeited.

As we have waiting lists to get into these classes, a registered student is allowed to make up ONE missed class per six week registration. Additional missed classes will be forfeited. All six classes must be used within a seven week period subject to studio hours and holidays.

We can no longer allow a student to miss multiple classes and then ask to redeem them weeks, even months later. Once a 6-week class has been purchased you have reserved that spot and if you are not able to attend, you still have that spot in the class. If you choose not to sign up for another 6-week class, it will be offered to someone on the waiting list.

I appreciate your understanding and cooperation.

Sincerely,

Linda Ahearn
